In the interest of uniformity the municipal council was advised to adopt the usual rates charged by Government and other licensees viz.,

At cut outs	Rs.5/-
At Overhead mains	Rs.15/-
At Underground Mains	Rs.35/-

It was also pointed out to the Council that the charge of 8 annas for replacing fuses was inadequate for the service rendered by the licensee; the retention of the existing rate of Re.1/- was recommended. The Electrical Standing Committee in its Resolution No.1 dated 30-3-37 (copy enclosed) resolved to charge the following rates:-

For reconnection at cut outs.	Rs.4/-
-do- overhead mains	Rs.7/-

These charges are the same as those approved for Conjeevaram in G.O.No.2815 Elec. dated 4-12-36 and may, therefore be accepted. (I)

2/ For the reason explained to the Council, I do not recommend the reduction of fuse renewal charges from Re.1/- to annas 8.
